

# PLASTRA CL-1

white

Item No. 148004

With the plaster lamp PLASTRA CL-1, you own a highly individual ceiling luminaire with puristic and clear design. Prepared for the use of GU10 halogen or LED retrofit lamps, PLASTRA is ready for direct connection to 230V mains supply. Some sandpaper is included in the package and used for surface cleaning. After priming it can easily be painted over with standard wall paint. This luminaire is compatible with bulbs of the energy classes: E - A++
